

Important Announcement for ALL PTSD Combat Grunts in the NY Hudson Valley:

6:00 pm EDT / 18:00 Romeo - EVERY Wednesday,
@ The Wellness Center of Hyde Park,
4307 Albany Post Road, Hyde Park, New York 1253,

We will be having a weekly EFT (Emotional Freedom Techniques) Workshop for Safely, Quickly, and Permanently Healing Combat/War Related PTSD.

ALL Combat Grunts, Medics, Nurses, Docs, Cops, & Firemen Welcome!

This work-shop is absolutely FREE. We don't take money from Vets. We pass the hat and suggest a donation of \$5.00 to help pay for the space.

No-one will be turned away due to lack of funds.

EFT (Emotional Freedom Techniques) is a POWERFUL, non-medical, non-pharmaceutical SELF-HELP Healing Process, that can safely, quickly, and effectively HEAL Combat/War Related PTSD PERMANENTLY.

Though not affiliated with any other organization like P.T.S.D.A. (P.T.S.D. Anonymous), A.A., or N.A., etc... EFT is 12-Step Friendly.

TG & John W. will teach you the basics of EFT and demonstrate how incorporating EFT into a 26 week healing program you can effectively and permanently heal yourself and remove the pain and suffering of Combat/War Related PTSD.
