This coming May as always is a very busy month for us. On May 24th the Westchester County veterans Service Agency will hold our annual Veterans appreciation day. Veterans and active duty military will receive free parking, free admittance, free rides and free food. Our chapter will be selling our hats, shirts, pins etc. We arrive at about 9:00AM to set up. At about 11:45 there will be the ceremonies and the Marines will provide four helicopters that will land at the park, and the Marines will set up a perimeter. Everyone likes this show; kids and adults alike!

At 4:00 we will host a barbeque for the PTSD Stress Unit behind Building 15 at Montrose VA Hospital. After that we will light the "Watch Fire" down at the picnic area.

On the 25th we will march in the Memorial Day parade in Chappaqua; step off is 11:00AM. After the parade we will host our ceremonies in Lasdon Park at 2:00.

Take care of yourself and each other
