

EXECUTIVE DIRECTOR'S REPORT

Our Chapter picnic was held on August 30, at the Armonk American Legion pavilion. There was about eighty members and family in attendance; good food and a great day. If you weren't there we hope that next year you can attend. The list of people who donated and helped out to make it a great day is too long, but thank you to all. Also thank you very much to Marshal Clavel who came through again donating and cooking his fantastic ribs!

On November 10th Anthony's Coal Fired Pizza is conducting a fund raiser for our Chapter, thanks to Matt Coffey for arranging this. If you order pizza or anything at Anthony's on the 10th just say that you are supporting VVA Chapter 49 and 20% of the sale will be donated to us. Please see the flyer elsewhere in this newsletter and pass the word.

On Veteran's day we will hold our ceremony at Lasdon Park at 2:00. Also in November the Museum is displaying an exhibit on the Vietnam War; they want photos of us in Vietnam with our name and unit. You can e-mail your photos to ttk2@westchestergov.com if you wish; you can drop them off to the Museum.

Take care of yourself and each other

Dan Griffin
